

Video Notes for  
America And the Holocaust

On the back define/explain the significance of **St.Louis, The War Refugee Board, Breckenridge Long, Henry Morgenthau**  
After the video is over, write a 100-150 word paragraph answering the question, "Should FDR be blamed for not doing enough to save European Jews during the 1930s and 1940s?" Your paragraph should be in BMP form and should use three supporting examples.

**In bullets form, List and explain the events that describe the Klein family's effort to emigrate from Germany to America. Include dates when possible**

**Questions from the video - answer with as many bulleted examples from the video as you can.**

1. What evidence suggests that the American government was aware of what was happening to the Jews in Germany? Bullet as many items as you can.

2. What evidence does the video provide that the US government acted to help the Jews of Europe?

3. What evidence does the film provide of American Anti-Semitism? Include evidence that the US government did not do everything possible to help European Jews.
