

American Experience - Triangle Fire

Video notes template - Describe as many examples of each of the following conditions of industrial work as you can from the video.

Dangerous Working Conditions	Long Hours and Low Pay	Exploitation/abuse	Workers' efforts to fight back

Arguments from the video that support the idea that Blanck and Harris should have been held criminally responsible for the fire

Arguments from the video that reject the idea the idea that Blanck and Harris should have been held criminally responsible for the fire
